

HOPE
COLLABORATIVE

2024
IMPACT
REPORT

Through purposeful relationships, we love children and families to inspire hope. In 2024, Hope Collaborative's PSO & Diversion programs reached 580 children.

PUBLIC SCHOOL OUTREACH

In 2024, we responded to the call to love our neighbors by expanding the reach of consistent and caring volunteer mentors.

39 churches partnered to serve and support local schools.

10 school districts partnered with services.

102 schools received the care of PSO.

162 volunteer mentors spent an hour a week with mentees.

505 public school students built healing relationships with mentors.

We rejoice in a 41% increase in mentees engaged, 6% increase in schools serviced, and an 11% increase in districts reached.

In the 2023-2024 school year,

75% of our public school mentees improved in at least one of three categories: attendance, behavior, and grades.
